INSULATION MATERIAL AI-PFCC201

SKU: AIPFCC201

ASEC Kunststoffen BV

Marketing 17, 6921 RE Duiven, The Netherlands

T: +31 316 84 44 01 | info@asec.nl

Categories: Cotton fabric phenol

AI PF CC 201 Is exclusively for mechanical applications. Impact resistant, resistant to mechanical wear, noise-reducing, low friction. Well suited for parts where there are high mechanical load and wear. Good wear resistance in aggressive and dust-filled environments. Can be lubricated with water, oil or grease. Resistant to weather and salt water.

Hard wearing in aggressive and dusty environments. Weather and saltwater resistant. Can be lubricated with water, oil or grease. Shockproof, mechanically hard wearing, noise reducing and low friction.

The information in this datasheet is provided for general purposes only and not meant to be a specific recommendation for any individual application. All values were determined under laboratory conditions. ASEC Products is not directly neither indirectly responsible for any claim resulting from the use of any information provided in this datasheet.
