INSULATION MATERIAL AI-EPGC204

SKU: AIEPGC204

ASEC Kunststoffen BV

Marketing 17, 6921 RE Duiven, The Netherlands

T: +31 316 84 44 01 | info@asec.nl

Categories: Glas fabric epoxy

AI EP GC 204 Has extremely high mechanical strength at moderate temperature. Exceptionally good stability of electrical properties under high humidity. Combustibility according to UL 94 V-0.

Combustibility according to UL 94 V-0. Self-extinguishing. Particularly good electrical and mechanical properties at moderate temperatures. Retains good electrical properties, even at high humidity.

The information in this datasheet is provided for general purposes only and not meant to be a specific recommendation for any individual application. All values were determined under laboratory conditions.
