Categories: Glas fabric phenol

AI PF GC 201 Is a high performance /price ratio insulation material. Self-extinguishing, halogen-free, very low smoke emission and toxicity. Mechanically much stronger than AIPFCP and AIPFCC series.

Significant stronger than the AIPFCP and AIPFCC series. Self- extinguishing. Halogen-free. Very low smoke production.

The information in this datasheet is provided for general purposes only and not meant to be a specific recommendation for any individual application. All values were determined under laboratory conditions.
