INSULATION MATERIAL AI-PFCP201

SKU: AIPFCP201

ASEC Kunststoffen BV

Marketing 17, 6921 RE Duiven, The Netherlands

T: +31 316 84 44 01 | info@asec.nl

Categories: Paper phenol

AI PF CP 201 Is suitable for construction material with high mechanical properties but the lowest electrical properties of all AIPFCP types.

Usable at temperature up to 120 °C. Low density. Good machinability. Good electrotechnical properties.

The information in this datasheet is provided for general purposes only and not meant to be a specific recommendation for any individual application. All values were determined under laboratory conditions. ASEC Products is not directly neither indirectly responsible for any claim resulting from the use of any information provided in this datasheet.
