## ADHE COAT TESTER

**SKU:** ADHE-COAT-TESTER

**ASEC Kunststoffen BV**

Marketing 17, 6921 RE Duiven, The Netherlands

T: +31 316 84 44 01 | info@asec.nl

**Categories:** Tribodesign

Easy and fast to use. Indentation and observation.Low consumption of diamond tip: 10 times less than a scratch tester.

Manufactures and users of hard coatings are often confronted with the problem of measuring adhesion of PVD coatings. The ADHE-COAT Tester is fully equipped with all items needed for fast and convenient adhesion testing.

The information in this datasheet is provided for general purposes only and not meant to be a specific recommendation for any individual application. All values were determined under laboratory conditions.
