SPHERICAL BEARINGS ASSPBAL

SKU: ASSPBAL

ASEC Kunststoffen BV

Marketing 17, 6921 RE Duiven, The Netherlands

T: +31 316 84 44 01 | info@asec.nl

Categories: Plastic

Introducing the spherical self-aligning solution. Leveraging ASWPE11 and ASWPE1 materials ensures the exceptional advantages of the ASSPBAL series plastic balls, achieving perfection. Additionally, materials such as ASBPE5, offering high-temperature and erosion resistance, and ASBPE20, designed for water applications, are also available for enhanced versatility.

Requires no lubrication and maintenance-free. Resistant to corrosion. Withstands impact, emits minimal noise, and is lightweight.

The information in this datasheet is provided for general purposes only and not meant to be a specific recommendation for any individual application. All values were determined under laboratory conditions.
