SPHERICAL BEARINGS ASSPBIG

SKU: ASSPBIG

ASEC Kunststoffen BV

Marketing 17, 6921 RE Duiven, The Netherlands

T: +31 316 84 44 01 | info@asec.nl

Categories: Plastic

Crafted from highly wear-resistant ASWPE1, the spherical ball pairs seamlessly with the high-strength, shape-stable M163 connection rod. Enjoy maintenance-free, dry operation with a smooth design that eliminates dirt traps. Benefit from absolute corrosion resistance and effortless compensation for misalignment errors, resulting in noise-free and lightweight performance. Simplified assembly is ensured thanks to the integrated lock nut.
